

Key Funding and Support Partners

DSF has many key funding partners whose support has been critical to our success. In particular;

- Spirit of 2012 (GOGA in Fife)
- Scottish Disability Sport
- Order of St John in Fife
- the Association of Fife Rotary Clubs
- Margaret Pullar (Bill Pullar Bursary)
- the Russell Hogg Trust
- the Scottish FA
- Kilrymont St Andrews Rotary Club

We also have strong links with Fife schools and the Active Schools Network. Since its formation we have worked closely with Health and Social Care in Fife and a significant number of Fife Sports Clubs. DSF considers the Sports Councils in East, Central and West Fife as key partners.

Sports Inclusion Model (SIM)

DSF will utilise the principles of the SIM to promote inclusion within physical education, active recreation and sport. We recognises that four factors influence inclusion and shape content and delivery -

ABILITY ACTIVITY IMPAIRMENT SETTING

DSF also recognises the four activity options which are the foundations of the SIM.

Open activity based on what everybody can do and does not include any modification

Modified activity everyone engaged in the same activity with modifications that offer challenge and support for participants of all levels of ability.

Parallel activity participants are involved in a variation of the same activity and grouped according to ability

Disability sport specific activity an individual or group is engaged in a unique activity specific to disability sport.
