

Parking

There are lots of car park options close to the centre.
Please note that car parking spaces outside the centre are for disabled parking only.

Start your exercise as soon as you leave your car!

By parking at any of the car parking options you are a short walk away from the centre.
It's the perfect warm-up to your workout.

Or, why not leave the car at home?

Kirkcaldy has lots of traffic-free cycle routes throughout the town and the bus station is located nearby giving convenient access to the centre, so travelling by bus is a great option.
